international **conservation services**

Welcome. We know you're busy. So we've kept this newsletter purposely brief, with links to useful information on caring for your heritage and stories about our work conserving Australia's cultural heritage.

Cathedral of Saint Constantine and Saint Helene, Perth

One Greek Orthodox Cathedral. Over 20 different wall paintings. Six paintings conservators. Four weeks on site. A curious congregation. Answer: a [project blog ... more](#)

Preservation Needs Assessments

Uncertain about the future management of your collection? A [Preservation Needs Assessment](#) will give you focus. For community museums, the NLA could help with funding through the Community Heritage Grants scheme - applications close 5 June 2009 ... [more](#)

Fort Scratchley, Newcastle

Award winner at the 2009 Energy Australia National Trust Heritage Awards. Read how we interpreted the 'site with a view' ... [more](#)

Grissell Building conservation and reconstruction

A kit of 19thC prefabricated cast and wrought iron parts. See how it was conserved and reconstructed for Meriton Apartments on the former ACI site at Alexandria. [Highly Commended](#) in the 2009 Energy Australia National Trust Heritage Awards ... [more](#)

Museum Musings

Julian is blogging too! Read the latest thoughts and directions in museum practice from around the world at [Museum Musings](#) ... [more](#)

Removing graffiti from Corten steel

How would you remove graffiti from weathering steel? See our objects conservators tackling this unusual task at Dual Nature, a sculpture on the shores of Sydney Harbour near the Andrew Boy Charlton pool ... [more](#)

Another addition to the ICS family

Welcome to Chloe Treadgold, the latest addition to our extended family. Chloe, daughter of our Principal Collections Manager, Fiona Tennant, was born in January. Congratulations to Fiona and Nick.
